

Announcing a POWERFUL pulling tower that takes up LESS SPACE!

EZE ROLLER – A MUST-HAVE FOR EVERY BODYSHOP AND MORE AFFORDABLE THAN EVER BEFORE!

Wedge Clamp Systems Inc. offers you an independent pulling tower that gives you fingertip mobility for fast pull adjustment. This powerful 10-ton pulling tower is ideal as an addition to shops that require another pulling tower to reduce cycle times and increase shop productivity. The Eze Roller works well with

other floor systems or as a stand-alone tower as a primary repair station. The Eze Roller comes with a full 5 year warranty and is manufactured to the highest standards of quality. For over eighteen years, Wedge Clamp has led the Industry in productivity enhancing, multi-stall frame repair equipment.
